

# Why ALAP INSPEKTOR?

- Is your measurement and HR capacity limited?
- Don't you have the appropriate measurement technology in-house?
- Have you got a deadline?

## MEASUREMENT PROBLEM SOLUTION

Member of **alap** group  
**alap inspektor**  
 inspection and measurement technique

ALAP INSPEKTOR ENGINEERING OFFICE

Accredited Measurement Laboratory  
 Dimensional Measurement Technology /  
 Geometrical Measurements

<p><b>GEOMETRICAL MEASUREMENTS</b></p>	<p><b>RE-MODELLING (RE-ENGINEERING)</b></p>	<p><b>X-RAY AND COMPUTED TOMOGRAPHY (CT)</b></p>	<p><b>MATERIAL QUALITY AND SURFACE QUALITY CHECK</b></p>		<p><b>CRACK AND INCLUSION TESTS, QUALIFICATION OF WELDING</b></p>
<p>digitalizing evaluation with protocol color spectrum</p>	<p>CAD model, preparation of 2D drawing</p>	<p>inspection based on scanning</p>	<p>tensile, bending, material composition, texture, hardness, roughness test</p>		<p>crack, penetration and magnetic particle examination of welded joints and surfaces, radiographic examination, ultrasonic examination</p>
